

A Guide for Parents

Updated for 1st November 2021

School life

Trimley St Martin

continues to follow the guidance as set out
by the government to:

- ✓ **Keep everyone safe.**
- ✓ **Provide a calm and welcoming learning environment.**
- ✓ **Engage in high quality learning.**

As a partnership with parents and children we have procedures in place

- To continue to reduce risk
- To facilitate learning

To reduce risk, we only bring in...

- ✓ Reusable water bottle with sports lid clearly named
- ✓ Coat if needed, sun hat
- ✓ Snack for playtime

(Reception have all snacks provided by the school, Y1 & Y2 need snacks for afternoon breaks and Y3-Y6 for morning breaks; remember no chocolate or crisps for snack times).

- ✓ Packed Lunch (where required)

(School dinners for Y3 to Y6 need to be pre-booked and paid for via the ParentMail App).

- ✓ Book Bag

We do not bring in:

- X Any bags, toys etc. that are not necessary.

Changes for November 21

1st November to 15th November; when the Government will update

- ✓ **Drop** off and pick-ups: Reception- Reception door, Y1 & Y2- KS 1 door, Y3- classroom door, Y4- classroom door and Y5 & Y6- joint classroom door.
- ✓ The school gates will be unlocked from approximately 8.30am; Parents and Carers to supervisor children until 8.45am when classroom doors will be opened.
- ✓ Two members of staff will be on playground duty from 8.45am. Please be mindful that the playground will be unsupervised from 8.30am to 8.45am. (No ball games, tag, use of bikes or scooters when waiting in the playground).
- ✓ ALL parents/carers to wear masks when on the playground.
- ✓ We ask parents/carers to be mindful of social distancing (1m).
- ✓ All staff will wear a mask when in communal areas around the school and when on the playground.

- ✓ **Visitors:** we are restricting access into the school to all but essential visitors. Any appointments with teachers/SENDCO etc. will be made virtually via telephone, Zoom or Teams.

To reduce risk

When dropping off/picking up from school...

- ✓ **Reception & Key Stage 1 children enter and exit via the top gate** (near playground equipment) **and Key Stage 2 children enter and exit via the bottom gate** (near bike racks). **No access via the staff car park.**
- ✓ **Minimise close contact by continuing to social distance.**
- ✓ **Wear face masks/coverings when entering the school playground.**
- ✓ **Very quickly drop off and pick up.**

Pick Up and Drop off:

Y4

YR

Y1 & Y2

Y3

Morning drop off- children and parents/carers to stand within the playground close to the class doors if arriving before 8.45am. This will naturally provide social distancing between classes.

Afternoon pick up- we kindly ask that parents/carers continue with social distancing and leave in a timely manner.

Y5 & Y6

Uniform

- ✓ Uniform code:
- ✓ to include all black trainers and charcoal grey jogging bottoms for daily uniform. (Trainers with white soles, coloured logos etc. to be kept for PE days only!).
- ✓ PE: white top (no logos unless school logo) & royal blue shorts. Track suits/joggers to be either black, royal/navy blue or charcoal grey (Plain tracksuits only please).
- ✓ Children to wear P.E. kit to school on their PE days.
- ✓ Watches and stud earrings allowed only.

To reduce risk In classrooms...

- ✓ There is a separate first aid kit for each class.
- ✓ PPE is available to staff who need to give first aid.
- ✓ Children have been given their own equipment and packs to use.

To reduce risk At lunchtimes...

FOOD:

- ✓ Lunches are staggered in the hall- all tables, chairs and touchable areas are disinfected between each class.
- ✓ Children sit at tables within their class groups.

To reduce risk At lunchtimes...

PLAY:

- ✓ Reception & KS 1 use the playground.
- ✓ KS 2 use the field. Children from Year 3 to Year 6 need to bring & leave an old pair of trainers to change into daily for playtimes and lunchtimes.

To reduce risk

Toilets...

Use of toilets:

- ✓ Each Key Stage have designated toilets.
- ✓ Toilets are cleaned regularly.

Age	Toilet
Reception	Reception Classroom
KS1 pupils	Key Stage 1
KS2 pupils	Key Stage 2
Vulnerable pupils	First Aid Room

To reduce risk

Also...

We ensure that all adults and children:

- ✓ frequently wash their hands with soap and water for 20 seconds and dry thoroughly.
- ✓ clean their hands on arrival at the setting, before and after eating, and after sneezing or coughing.
- ✓ are encouraged not to touch their mouth, eyes and nose.
- ✓ use a tissue or elbow to cough or sneeze and use bins for tissue waste ('catch it, bin it, kill it').
- ✓ all visiting adults are asked to scan the school Track & Trace Q-code.

To reduce risk

If someone is showing symptoms of COVID-19

- ✓ We have a **separate room for isolation with an adult.**
- ✓ We call all listed adults until contact is made – please ensure your phone number is up to date and available.
- ✓ **We use PPE** if we need to be within 2m to help your child.
- ✓ There are **separate toilet facilities (where possible)** for a child who is showing symptoms.
- ✓ We will ask that a test is booked for a child who is showing symptoms.

To reduce risk

Pupil shows symptoms

Teacher/staff member to send/bring the pupil to first aid room and to tell the pupil to keep 2 metres away from anyone they pass and not to touch anything

Teacher/staff member to inform office staff and Headteacher so they can arrange for the pupil to be picked up. Pupil should be left alone in a ventilated room if possible and safe to do so. If a 2-metre distance isn't possible, the supervising staff member will wear a face mask. If contact is necessary, they'll also wear gloves and an apron. If there's a risk of fluids entering the eye, they'll also wear eye protection

Staff member shows symptoms in school **or** gets a positive lateral flow test result at home

Staff member to inform Headteacher/school business manager before leaving the school premises, avoiding contact with others (if at school. If at home, they must not come in to school)

If teaching in school, staff member to wait until supervision has arrived for their class before leaving

Headteacher to tell the pupil/staff member:

- To start self-isolating
- That members of their household should also start self-isolating, unless they are any of the following: fully vaccinated, below the age of 18 years and 6 months, not able to get vaccinated for medical reasons, or are taking or have taken part in an approved COVID-19 vaccine trial
- (If the staff member has a positive lateral flow test result:) To report the test result to NHS Test and Trace
- To take a 'standard' **PCR test** (this **must** be taken **within 2 days** of a positive lateral flow test result) and report the test result to NHS Test and Trace. If a home testing kit is available in school, you can give it to them to take home if you think they may have barriers to accessing testing elsewhere. See below for what to tell them to do, depending on their PCR test result

Note: close contacts or members of their household should also start self-isolating, unless they are any of the following: fully vaccinated, below the age of 18 years and 6 months, not able to get vaccinated for medical reasons, or are taking or have taken part in an approved COVID-19 vaccine trial. If any of the above applies, NHS Test and Trace will contact them to advise them to take a PCR test. Children aged under 5 years old who are identified as close contacts will only be advised to take a PCR test if the positive case is in their own household

To reduce risk

Once the individual has left the premises (or if they're at home, immediately): areas they've come into contact with in school to be closed, so these can all be cleaned and disinfected. If the individual is part of a class group, the rest of the group to be moved into an alternative location. All staff and pupils who've come into contact with the individual to be asked to wash their hands thoroughly for 20 seconds

If the symptomatic individual's PCR test is negative

Pupil/staff member, and members of their household and close contacts who are not exempt from self-isolating, will be told by NHS Test and Trace that they can stop self-isolating as long as they have no symptoms

Pupil/staff member can return to school

If the asymptomatic individual's PCR test is negative

Staff member, and members of their household and close contacts who are not exempt from self-isolating, will be told by NHS Test and Trace that they can stop self-isolating as long as they have no symptoms

Staff member can return to school

If the symptomatic or asymptomatic individual's PCR test is positive

Symptomatic individual to:

- Continue self-isolating for **at least 10 days**, counting from the day after their symptoms started (members of their household and close contacts not exempt from self-isolating must also continue to self-isolate for 10 days, counting from the day after contact with the person who tested positive)
- Then only return to school if the only symptoms they still have after the isolation period are a cough or loss/change of smell/taste (these symptoms can last for several weeks once the infection has gone) – they should **not** return until their temperature has returned to normal, or if they are otherwise unwell

Asymptomatic individual to:

- Continue self-isolating for **10 days**, counting from the day after the positive lateral flow test (members of their household and close contacts not exempt from self-isolating must also continue to self-isolate for 10 days, counting from the day after contact with the person who tested positive)

Close contacts or household members of a positive case are exempt from self-isolating if any of the following applies:

- They're fully vaccinated
- They're below the age of 18 years and 6 months
- They've taken part in or are currently part of an approved COVID-19 vaccine trial
- They're not able to get vaccinated for medical reasons

Health and safety procedures

- Fire Procedures remain in place and in the event of the an alarm, children and staff leave through their nearest fire door and line up in their classes.
