

## SCHOOL GAMES MARK 2017/18 CRITERIA

The School Games Mark is now in its 7th year and continues to reward schools and other educational establishments for their commitment to and development of competition, school sport, physical education and physical activity. The following criteria will help all institutions assess themselves across bronze, silver and gold levels of the award and, for those schools that can demonstrate a sustained high level of delivery, the Platinum award.

School Games Mark is directly linked to a schools engagement in the School Games. This needs to reflect a broad and balanced offer that actively encourages those young people that aren't currently engaged or who are engaged less often. This isn't about provision for a small cohort of young people but needs to consider ALL the school's population.

**In order to achieve any level of the School Games Mark, schools and educational establishments for the academic year 2017/18 must meet the following prerequisites for young people in years 3-13:**

- Registered a School Games Day date on your dashboard on [www.yourschoolgames.com](http://www.yourschoolgames.com).

- 1 How have you involved your pupils in planning and delivering your competition offer?**
- 2 How do you support exit routes for your young people into community activities?**
- 3 Have you demonstrated a holistic whole school approach to delivering physical activity in line with the Chief Medical Officer's (CMO) recommendation of a minimum of 60 active minutes a day?**

Please consider within your responses:

- What the outcome was for your school.
- How you set out to achieve this.
- What the impact has been on young people.
- What your three top tips would be for other schools to go about bringing this change.
- How you have engaged with your School Games Organiser.

All Platinum applications will need a supporting paragraph from your School Games Organiser and will then be verified externally.

All schools eligible to apply for Platinum need to do so as you apply for Gold; once your Gold application has been verified then we will look through your Platinum evidence.

All successful Platinum schools are awarded for two years and therefore schools who applied last year will not be required to undertake an application for either Gold or Platinum in the academic year 2017/18 and likewise successful schools in 2017/18 won't need to apply during 2018/19.
