

Parents Evening

We have scheduled in two parent's evenings for the summer term. These evenings are designed for parents to come into the classroom to look through all the hard work and learning their child(ren) have achieved this year. We will arrange a link to be sent out for parents to book a timetabled half hour slot alongside other parents. This will be a great opportunity to look at the work and chat with the teachers. Scheduled for week beginning: 20th June. For those who have been unable to have spring parent's evening due to teacher illness this will be arranged separately.

Sports Day

We have pre-booked sunshine for Wednesday 6th July for our sports day. If the weather decides to change our plans, we will send out a text at the earliest opportunity and arrangements for an alternative day will be made. Children compete in their coloured House Teams, if you are unsure which team your child is in, please ask their class teacher. A reminder will be sent out closer to the event with all the information needed.

Summer Days

With the summer sun hopefully now here, we advise that children come to school prepared wearing sun cream and a hat. Please clearly label the hat (School hats available from the office [£5.00]). If sun cream is brought into school, this needs to be clearly labelled with your child's name on and kept in their school bag. As a school we do not help to put sun cream on and nor should children share their sun cream with others.

Parking

We continue to receive complaints about dangerous and illegal parking outside school and it would seem that all our efforts to keep children safe are not being heard by some of our parents who continue to park on double yellow lines, in front of the school gates and who make dangerous turns in the road and into the school car park. We have a collection of registration numbers as reported on the school "Traffic Reporting" page on the school website, which if the situation continues, may have to pass onto our local PCO. We would rather parents receive a warning or a fine than a phone call to say there has been an accident outside of school involving their child.

Events

As we endeavour to get back to normal we hope to arrange events over the summer term. As soon as we have anything arranged we will inform parents via Tapestry, Seesaw, ParentMail and the School News Blog to give as much notice as possible. We hope we will be able to arrange KS 1 and KS 2 disco, car boot sale and class visits where possible. (due to fuel costs the cost of coach hire has risen dramatically).

Up & Coming Events-

Summer 2022

To celebrate the Queen's Platinum Jubilee at TSM
we are going to become

Retro!

Come to school dressed like it is the 1950s!!

Wednesday
8th June 2022

Come to school dressed up like you lived in the 50s or in non-school uniform

Street Party:
Bring in a treat to eat...
Cakes, sweets, savouries...something you love to eat!!
