Non TSM clothing prices have been sourced online and do not have an embroidered or printed school logo.

Trimley St Martin – NEW UNIFORM CODE

Differences to previous versions of our uniform code:

There was an overwhelming response to the colour of the trousers – so...

- **Dark Grey trousers (Boys / girls), grey knee length skirt, grey knee length shorts**
(Standard grey trousers. Girls trousers may inevitably be cut differently or be slightly more fitted – however no ‘skinny fit’ or ‘denim cut’ trousers)
- **Black boots (winter) removed as an option**
(These can be worn to school if wet or slippery but pupils will need to change into appropriate footwear once in the building. This is not part of our advertised uniform)
- **Sports trainers for P.E. > can be any colour**
- **No specific colour for swimming costume or hats**

Clarification

- School P.E shorts do need to be royal blue (as this is the colour of the school kit when children represent the school). The correct colour shorts are on sale in the school office for a reasonable price if you are unable to find them in shops. If you type ‘Royal Blue P.E. shorts’ into Amazon there is a selection on sale there. John Lewis sell ‘Royal Blue Football shorts’ for a similar price to us. Sports Direct also sell royal blue football shorts too. Beach shorts / mini shorts or cycling shorts are not accepted.
- We are currently comparing our prices with other school uniform providers to try and get the school branded clothing closer to that of shop purchased items. We are also looking to see if we can get a slightly thinner material as the TSM are a little thick.
- The Non TSM prices have been gathered by searching online. We do not sell Non TSM clothing at the school.

This is the uniform code from September 2014 but wont be enforced until January 2015.
