

Trimley St Martin After School Clubs

TSM are pleased to offer after school provision for all children for a fee. Children are able to stay at school from 3:30pm until 6:00pm, looked after by a team of trained professionals.

Our breakfast club provision is highly praised and will be run by the same team.

From September, the main club will run **every week night** during school term time (not including days when the school is closed for staff training) and will be based in the KS1 activity area with access to the ICT suite and the hall.

Mr Child's clubs can be booked in the same way as before (he will provide you with information about dates and the length of the course e.g. 6 weeks and the total cost).

If children are in Sports Club but aren't being picked up until 6pm, these children will be transferred over from Mr Childs to the team running the main club.

We feel that the clubs will offer you flexibility. E.g. if you have one child in KS1 Sports Club and your other child is in KS2 they can both be looked after at school and collected at the same time. Things have changed and we are aware that parents need to go out to work – we hope that this may help people out.

In the future, as our intake grows, and more funds come into the school we may look to subsidise this financially e.g. reduce the cost of that first hour further. This is not a promise – our first priority is offering the best provision during the school day which is our main role as an educational establishment.
