Y1 Topic – Space

We will be posting daily phonics and maths . At the beginning of a week we will also send out a literacy activities based on a book or theme.

HISTORY Research Neil Armstrong (The first man on the moon) present this information in your own way e.g. poster, video, fact file.	**ART** Use the salt dough recipe https://www.bbcgoodfood.com/howto/guide/how-make-salt-dough-recipe to make aliens. Why don't you paint and decorate them. Can you write some sentences to describe your aliens?	**DT** Use junk modelling parts to create a 3D moon buggy and space rocket.
COMPUTING Scratch Junior challenge (See attached in folder)	**ART/DRAMA** Create a space background with materials from your home and add characters and objects and make a space show. Don't forget to video it so we can see!	**MUSIC** Listen to the planet song and try to join in. https://www.youtube.com/watch?v=mQrlgH97v94
RESEARCH Choose a planet, research it and write about using the writing frame or in your own style.	**SCIENCE INVESTIGATION** Make a squeeze bottle rocket using instruction sheet attached. How about trying some of the other investigations?	**PE** Cosmic kids yoga space themed. https://www.youtube.com/results?search_query=cosmis+kids+space
