

Y3 Topic – Ancient Egypt⁺

Check

to see how many tasks need to be completed.
Complete in the exercise book where possible.

SCIENCE INVESTIGATION

Egyptian's used shadows made by the sun to help them measure time. Make a shadow by putting an opaque object in front of a light source. Investigate how you can change the size of the shadow without changing the object.

DT

Design and make yourself an Egyptian pyramid. You can use anything to make it: Lego, cardboard boxes etc.

ART

Can you create a picture using black silhouettes and a sunset?

PSHE

Imagine you and your family were moving to Egypt. What could the people in Egypt do to make you all feel more comfortable?

PE

Create your own dance to Egyptian music -
(<https://www.youtube.com/watch?v=GI6dOS5ncFc>)

MUSIC

Listen to the piece of music by Luigini called Ballet Egyptien (1st movement). Imagine what you might see happening as this piece of music is playing in Ancient Egypt. Draw some pictures to show your ideas.

RESEARCH

See what information you can find out about the discovery of Tutankhamun's tomb and mask.

SCIENCE INVESTIGATION

People can float in the Red Sea because of the amount of salt in it. Carry out your own test to see how salt changes what happens to an object water. Put an egg in some water (it should sink), now add a spoonful of salt at a time, recording what happens!

Geography

Use an Atlas or your computer to find a map. Locate where Egypt is and where the River Nile travels.
