

Everlasting Light

Felixstowe
November 2017

Dear Parent/Guardian,

We are excited to let you know that the children that took part in the Everlasting light recording & concerts last year are invited to perform at the Felixstowe Christmas Light switch-on event.

Saturday 2nd December 2017

Felixstowe Christmas Lights Switch-on day on the Lorry at the Triangle in Felixstowe Town centre. Children will need to arrive at 3:30pm and will be performing from 3:40pm to 4:10pm. They need to come dressed up well for cold weather (with a Christmas hat if possible!). Parents will need to stay for the performance and will be responsible for their children at all times.

The children can revise the songs on-line (in case they don't have an Everlasting Light CD!) here: <http://everlastinglight.org.uk/schools/children> . The user name is EL and the password is EL2016

Please return the slip below by Friday 24th November.
