

### School Hoodies

The School Council has been in talks about the appropriate use of the school hoody and after discussion with school adults and their peers have come to a conclusion that has changed our uniform code... Please read the letter sent out by the School Council to discover their findings.

### School Dinners & Packed Lunches

The School has an unwritten rule (advise) that children do not have chocolate bars for snacks or lunch (Twix, Mars Bars etc), we are finding an increasing amount of children with chocolate in their lunches... Next half term, your child will be bringing home a questionnaire about our school lunches. Vertas, our school provider, would like to know what is liked about their service and what could be improved.... Although Turkey Twizzlers will never be back on the menu! 🍬 (Mrs Ross's favourite)

### Gate Reminder

- ✓ Gates will open at 8:45am
- ✓ Children are dropped off at the school gate and make their way into class (Reception parents can drop off here or take children to the door of the reception class). ***(Children should not enter onto the playground before 8:45am, as they will not be supervised and accidents can happen)***
- ✓ Children can arrive anytime between 8:45 – 9:00am
- ✓ Gates will shut at 9:00am
- ✓ Latecomers will need to enter the school via the front office
- ✓ **Children are marked late if they are not in school by 9:05am**

**We are having children roaming, biking & scootering across the playground, while no school adult is present- NO CHILDREN BEYOND THE SNAKE (for those who have walked or biked to school on their own, children with parents should wait outside the wall).**

Monica (Hoeller) Dufour from Detroit first founded National Goof Off Day as a 10-year old in 1976. The day is an annual event to celebrate any goofy idea that popped into your head. From making paper airplanes from seed packets, doodling pictures of poodles in puddles in Peru, playing a game of Jenga with randomly stacked spice jars or doing the obvious and spending the day in your pyjamas doing goofy things or just goofing off from everyday routines.

At TSM we will celebrate National Goof Off Day, with Non-school uniform and a class challenge-design and do the most Goofiest Thing Ever Done at school... Winning class will earn themselves a class treat....
