

## A new year starts again!

It is still not quite sinking in that it's only been a year since I arrived at the school! Time flies! Well.. Welcome back everyone! Welcome also to our new reception intake, who were super brave this morning coming in to school for the first time. Well done to the reception parents for holding it together! I hope you have all had a superb summer!

This term is going to be busy as usual! There is also a number of changes this year too... the launch of a new curriculum, a new form of assessment, a new resurfaced playground, two new teachers (Miss Winton and Mrs Foote) and lots more changes on the horizon.

Last year the school made rapid progress and the journey still continues. The school is evolving all the time and so these newsletters and our website is our best way of keeping you updated on everything that is happening here.

Please do attend the meet the teacher evenings if possible as they give you an opportunity to initiate contact with the class teacher but also find out about what the children are learning as well as more administrative details e.g. when homework is due etc...
