

Welcome back...

Welcome back children, parents and staff! Welcome also to our new reception intake, who were super brave yesterday morning coming in to school for the first time. Well done to the reception parents for holding it together!

This term is going to be busy as usual! There are also a number of changes this year too... a new maths planning and teaching scheme, the introduction of interactive maths homework for Years 1 to 6, as well as lots more changes in the near future.

Last year the school continued to build on the success of the previous year and so we intend to continue to grow, develop and improve. The school is evolving all the time therefore updates on our website are our best way of keeping you updated on everything that is happening here.

Please do attend the meet the teacher evenings if possible as they will give you an opportunity to initiate contact with the class teacher but also find out about what the children will be learning as well as more administrative details e.g. when homework is due etc...

Car Parking Reminder

THINK BEFORE YOU PARK

Clubs, Master Classes etc

Clubs and Master Classes are due to start next week.

- Mr Childs and Mr Southernwood will send out information about their clubs, the dates and the pricing by the end of next week.
- Invites to Master Classes will be sent out soon. Remember an invite to a Master Class does not necessarily mean your child is struggling, in most cases we are trying to increase the amount of progress your child is making.
- Don't forget, the school through Twinkltoes, offers breakfast & after school provision up to 5.45pm, for more information take a look at the details on the school website.

Uniform, Reading & Maths Homework

Reading book allocation and maths homework will be starting again over the next few weeks. Parents of children not completing homework or reading at home will be issued letters.

Children who arrive at school with incorrect uniform will also receive a letter.
