Welcoming back…

NEWSLETTER: Sept 26

Welcome Back!

We are delighted to welcome back all our children, parents and staff as we begin the 2026–2027 academic ye**ar**. We hope everyone has had a wonderful summer and is feeling refreshed and ready for another exciting year at Trimley St Martin Primary School.

A very special welcome goes to our new Reception children and their families. We are so pleased to have you join our school community and look forward to watching you settle into school, make new friendships and begin your learning journey with us.

Celebrating Our Children's Achievements

As we begin the new academic year, we want to take a moment to celebrate the amazing achievements of our children. We could not be prouder of the hard work, determination and resilience they have shown.

We were particularly delighted with the outcomes achieved by our Reception, Year 1 and Year 6 children, with attainment across these year groups above the national averages. These results are a fantastic reflection of the commitment of our children, staff and families and the high expectations we have for every child.

However, we know that achievement is about so much more than results. We are incredibly proud of the progress children have made, the challenges they have overcome, the confidence they have developed and the many achievements they have celebrated throughout the year. Every child should feel proud of what they have accomplished.

Continuing to Improve Our Curriculum

We are always looking at ways to strengthen our curriculum and ensure that children receive the very best learning experiences. This year sees a number of exciting developments.

Bubble Handwriting

We are introducing the Bubble handwriting scheme across the school. This will provide children with a consistent and structured approach to developing their handwriting, helping them to develop greater fluency, accuracy and confidence as they progress through the school.

Purple Punctuation

We are also introducing Purple Punctuation. This will help children to develop a greater awareness of punctuation and become increasingly independent in checking and improving their own writing. Children will be encouraged to identify, correct and improve their punctuation as part of their writing and editing process.

PSHE and RSHE – Twinkl

We will be using Twinkl as our programme of study for PSHE and RSHE. This will provide a carefully sequenced approach to supporting children's personal, social, health and relationships education, ensuring that important knowledge and understanding is built progressively as children move through the school.

Moving the Box – Reception Programme

We are incredibly proud to have been invited to take part in the Moving the Box programme, which focuses on improving outcomes for children in Reception.

We are already very proud that our Reception outcomes remain above national expectations, and being selected to take part in this pilot is a fantastic opportunity for us. We hope not only to showcase the excellent practice already taking place at TSM, but also to learn from the project and use this opportunity to strengthen our provision even further.

Strengthening Our SEND Provision

A really important area of development this year is our continued work to strengthen our SEND provision and our Universal Offer.

A huge amount of work has been undertaken by our SENDCo, Mrs Thornton, to further develop and embed our Universal Offer across the school. The aim is simple: Using strategies within our high -quality first teaching should be what is "Essential for some, beneficial for all"

By strengthening what we provide for every child in the classroom, we can ensure that children with additional needs are supported effectively without always needing something separate or different. This includes developing consistent approaches, adapting teaching, providing appropriate scaffolding and ensuring that staff have the knowledge and strategies they need to meet a wide range of needs.

Mrs Thornton has also been working closely with SENDCos across all of the schools in Felixstowe, including the high school, to develop a shared SEND information leaflet for parents.

This is an exciting piece of collaborative work. The aim is to provide families with clear information about SEND provision across Felixstowe, including what universal provision and targeted support look like in our schools.

By working together, we hope to create a more joined-up approach so that children and families receive consistent information and support, regardless of which school they attend. This will be particularly valuable for children and families as they move between schools and phases of education.

A Year of Learning, Growing and Celebrating

There is lots to look forward to this year, and we are excited to continue working closely with our children, families and staff to make 2026–2027 another successful and memorable year.

Our Meet the Teacher evenings will provide an important opportunity for you to meet your child's class teacher, find out about the curriculum and expectations for the year ahead, and hear more about some of the exciting developments taking place across school. We will also use these meetings to share more information about our curriculum changes, our approaches to handwriting and punctuation, PSHE and RSHE, SEND provision and the ways in which you can support your child's learning at home.

As always, thank you for your continued support. We are incredibly proud of our school and of everything our children achieve. We look forward to another year of learning, growing, achieving and celebrating together.

Here's to a fantastic 2026–2027 academic year!

Uniform

Royal Blue Uniform- Our school uniform colour is *Royal Blue*. Children may wear either branded or unbranded uniform, as long as it is the correct *Royal Blue* shade. We appreciate your support in helping us maintain a smart and consistent appearance across the school.

Book Bags for Key Stage 1 and 2- we introduced smaller, more practical book bags for Key Stage 1 pupils. These are the preferred option for Reception and Key Stage 1, as we are actively encouraging families to avoid using rucksacks for younger children. The smaller bags fit neatly into classroom trays and help to keep our corridors clear and safe from trip hazards.

PE Kits

As children wear their PE kit to school on their PE days this is part of our daily school uniform and therefore should follow our uniform policy.

School branded or unbranded:

- ✔ white or royal blue top
- ✔ royal blue jumper, cardigan or hoodie
- ✔ Black or charcoal grey joggers/leggings

X Branded sports tops such as Adidas, designer or football tops etc

X Branded tracksuits

Both new and pre-loved uniform is available for purchase from the school office. We will also be holding a pre-loved uniform sale early in the autumn term on the school playground — further details and the date will be shared soon. Please remember that the PE uniform no longer includes tracksuits. Additionally, Key Stage 2 pupils are kindly asked to bring in a spare pair of old trainers to keep at school for lunchtimes when playing on the field.

Trainers!
We will try to use the field as much as possible this term at playtimes & lunchtimes. To help keep shoes clean & new, we strongly suggest children in KS 2 bring in CLEARLY NAMED trainers that can be left at school for daily use. In the past we have suggested an old pair of trainers, this year we are suggesting that they come to school in a NAMED BAG too- perhaps an old football boot bag or one of our trainer bags from the school office.

GOOD ATTENDANCE GIVES CHILDREN THE BEST CHANCE TO SUCCEED

Every day in school builds knowledge, confidence and brighter futures.

1 HOLIDAYS IN TERM TIME – PENALTY FINES APPLY

Make sure you use the absence request form. Your holiday will not be authorised. Let the school know before you book anything. As your child will miss 5 school days, you'll be given a penalty notice fine.

Absence request forms are available from the school office or on our website.

I'M A SINGLE PARENT OF ONE CHILD AND WE WANT TO GO ON HOLIDAY FOR 5 DAYS.

1 PARENT & 1 CHILD

= £160

Reduced to £80 if paid in 21 days

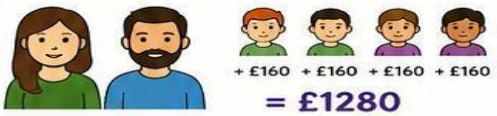
FOR EACH CHILD A PENALTY IS GIVEN...

+ £160 + £160 + £160 + £160

1 PARENT & 4 CHILDREN = £640

Reduced to £320 if paid in 21 days

FOR A FAMILY OF 2 PARENTS & 4 CHILDREN



+ £160 + £160 + £160 + £160

= £1280

Reduced to £640 if paid in 21 days

WHAT HAPPENS IF SCHOOL SUSPECTS CHILDREN ARE ACTUALLY ON HOLIDAY?

- Photos on Facebook?
- Foreign mobile dial tone?
- Other children talking about your holiday?
- Amazing sun tan?
- Home visit shows no-one at home?

Please don't be offended if we ask for evidence or mention these questions.

We're required to do this to ensure a fair system!

2 WHAT ABOUT SUBSEQUENT ABSENCES? IS IT STILL THE SAME PENALTY?

No, not anymore. If in any period of not more than 3 years, your child has a 2nd and 3rd leave of absence OR pattern of irregular attendance, which is unauthorised, then...

2ND TIME

2 parents and...

1 child = £320
2 children = £640
3 children = £960
4 children = £1280

NO DISCOUNT FOR EARLY PAYMENT

3RD TIME

A penalty notice fine will not be given. Instead, your case will be taken to court. A magistrate can fine each parent £2,500 for each child.

FURTHER TIMES

1 parent & 4 children = £10,000
2 parents & 4 children = £20,000

Plus costs and possible prosecution.

3 WHAT ABOUT IRREGULAR ATTENDANCE? COULD I GET A PENALTY NOTICE?

If your child is absent for 10 or more sessions in 10 weeks, and their absences are unauthorised, then the school is required to consider penalty notices / prosecution.

So, half a day here and day there could all add up to 10 sessions in 10 weeks. If unauthorised, then it would be a penalty notice. Remember, 1 day is 2 sessions (morning and afternoon). Every lesson missed = learning lost. Every single day matters.

4 WHAT ARE TYPICAL REASONS GIVEN THAT WON'T BE AUTHORISED?

Examples of unauthorised absences

- ✕ A family member's birthday
- ✕ Shopping for uniforms
- ✕ Inadequate clothing for school
- ✕ Child being used as a carer
- ✕ Problems with transport
- ✕ Sickness of parent or sibling
- ✕ Sibling's school closed
- ✕ Refusing to attend, but able to
- ✕ Poor family organisation
- ✕ Family holidays
- ✕ No absence request completed

Where attendance is irregular, or historically poor, sickness absences may be unauthorised unless medical confirmation by a GP surgery is given.

EVERY DAY COUNTS • ATTEND TODAY, ACHIEVE TOMORROW

We are here to help.
If you are facing any difficulties that may affect your child's attendance, please speak to us as soon as possible.

Good attendance helps children build strong friendships, confidence and the best possible start in life.
Thank you for working with us.

For further information, please speak to the school office or visit our website.

Working together for every child, every day.

Working Together to Improve Safety Around Our School

We are continuing to work closely with Jenny Riddell-Carpenter MP, who is supporting our ongoing efforts to improve road safety around the school. Jenny has offered to hold a round-table meeting here at Trimley St Martin Primary School, bringing together key representatives to discuss the concerns raised by our school community. Further details, including the date and time, will be shared with parents and carers as soon as these are confirmed.

We would also like to recognise the hard work of Mrs Thornton, Mrs Ross and Mr Barnard in securing funding to strengthen security around our school site. This work includes replacement fencing where the existing field fencing is broken, new fencing to the rear of the school, a new car park gate and a new field gate.

We had hoped that all of this work would be completed during the six-week summer holiday. Unfortunately, delays in the supply of resources have held up some of the works. We have been assured that the work will be completed as soon as possible, and we will keep our school community updated as progress is made.
We are grateful for everyone's continued support and patience as we work together to make the area around our school as safe and secure as possible for our children, families and staff.
